

# SAVE EVEN MORE ON AMERICA'S #1 SELLING MUZZLELOADERS.

**BUCKHORN™ SAVE \$30**

The Buckhorn 209 Magnum is an ultra-modern conventional in-line, and the heart of this high-tech smokepole is the precision rifled 24" barrel with a 1:28" twist. It's powered by an extremely hot 209 ignition system and will handle 150 grain magnum charges with ease. And in states where 209 primers are not allowed, the Buckhorn can be easily converted to a #11 or musket cap ignition by simply changing the breech plug and adding the correct nipple. Plus, the Buckhorn comes standard with a thumb-actuated safety, DuraSight® All Metal fiber optic sights, dual-barrel retention points and a Bullet Guiding Muzzle. Another feature that really sets this gun apart from the competition is its radical new stock design. The Buckhorn's unique stock features dotgrip panels to ensure a comfortable, non-slip grip. Not bad for a rifle that retails for one and a half Ben Franklins! **REBATE ONLY APPLIES TO THE FOLLOWING MODELS: PR4300, PR4300C, PR4300VP, PR4300VPS.** Visit [cva.com](http://cva.com) to view these models.
